● 1176-D, Central Park, Lahore

Live Portfolio: hashirprofile.netlify.app

A highly motivated fresher Computer Science graduate from COMSATS University with a good foundation in web development, specializing in front-end development. My skills include Web development, product operations, and UI/UX design, which allow me to build intuitive and efficient web applications. I am eager to contribute my knowledge and grow as a developer in a dynamic software house environment.
